6. In the event that any Eligible Client maintains open position in the trading account(s) during the submission of withdrawal request or of internal transfer, the same conditions apply to the bonuses as the above clauses. More specifically, the submission of a withdrawal request or an internal transfer will cause the removal of any previously awarded trading bonus(es) proportionally to the percentage of the requested amount of the withdrawal over the available balances.
7. Any indication or suspicion, in the company's sole discretion, of any form of arbitrage (including but not limited to risk free profiting), abuse (including but not

limited to participant's trading activity patterns that indicate that the participant solely aims to benefit financially from the credit trading bonus without being genuinely interested in trading in the markets and/or taking market risk), fraud, manipulation, cash-back arbitrage connected to a trading bonus or any other forms of deceitful or fraudulent activity, will nullify all previously credited trading bonuses of the Eligible Client's real trading Accounts with the Company and/or any and all transactions carried and/or profits or losses garnered therein. In these circumstances, the Company reserves the right, at its sole discretion to close/suspend (either temporarily or permanently) all such Eligible Client's real trading Account(s) with the Company, cancel all orders and annul all profits of such participant. In these circumstances, the Company shall not be liable for any consequences of the trading bonus cancelation, including, but not limited to, order(s) closure by Stop Out

8. If any of this campaign terms were to be translated into a language other than English, the English version of these terms shall prevail where there is an inconsistency

9. Risk Warning
